People occasionally ask how they can support the church in the future, and the church has recently benefited from legacy gifts to the building addition and serving as an internship site.

Planned giving considers ways we can support organizations like the church that are important to us beyond our life. Gifts such as including the church in your will, designated annuities and insurance policies are some of the possibilities. If you would like more information about planned giving, or a visit about a planned gift, please indicate that below.
